

親愛的會員：

非常感謝大家對研究生會的關注和對研究生會的批評指正，也希望研究生會在今後的運作中能夠持續得到大家的監督和建議。

首先，研究生會18-19屆執委會在此特別就2019週年會員大會的召開流程問題和未能如期舉行週年大會表達最誠摯的歉意。研究生會確實十分關注會員在各種社交媒體上的聲音，也聆聽各方意見，研究生會也迫切希望能有公開場合與會員進行溝通交流，我們希望能夠儘快在八月召開全體大會，具體時間和場地正在敲定。我們也希望在舉行全體大會之前的這段時間廣泛收集會員們的意見並就有關問題進行耐心解答。

關於部分會員提出的動議問題，由於現行會章的不完善，並沒有細化提出動議這一部分的規則，因此產生理解上的偏差。關於這一部分，也會在完善會章時著重考慮。研究生會18-19屆執委會向由之引起的任何會員們的不滿致歉。

研究生會18-19屆執委會在任期間，所進行的工作較往年是有突破性的。我們提高對會員福利的投入，舉辦種類繁多的活動，加強與高校組織的交流與合作，皆取得了有進步性的成果，具體可以參考已經於7月14日公布的年度報告與年度財務報告。關於學苑新聞報導中與中國移動合作中可能存在的行政失當問題，真實情況為，所謂的“個人帳戶”是中國移動推出的完全正規的推廣方式，18-19屆執委會主席、首席副主席與執行副主席皆有申請，旨在幫助新生更加方便的進行網上註冊，這在整個迎新期間都是公開的，且不會有任何回佣到這個帳戶上。研究生會在此希望學苑新聞報導前能夠首先全面了解情況，作出公正的報導。同時我們願意與舉報人對質，並全力配合有關部門的調查。如果有任何有關這一問題的顧慮，我們也會在全體大會上做更加詳細的解釋。

早前研究生會在6月13日發表之言論，確實引發會員們廣泛的討論，有會員針對這一郵件表達了不滿。我們對於會員們不同的觀點，認同、接受並且尊重。我們尊重大家參與社會運動的權利，本意是提醒大家謹記保護自身安全。看到這一郵件的強烈反響，我們深知會員們對同一事件的不同認知是研究生會應當著重並且謹慎考慮的。關於這一聲明的撤回與否，我們希望通過投票表決以充分尊重會員們的意見。同時，引致這一事件的緣由也與現行會章的不完善脫不開關係，之後會章完善的過程中，我們將著重考慮透過官方郵件系統發表聲明之規則，以追求更具代表性的研究生組織。

研究生會希望會員們透過此次事件加強對研究生會的監督，也衷心希望能夠因此加強會員們在週年大選時的積極性，共同追求研究生會更好的發展。

如有任何詢問，請致郵件到pgsa@hku.hk，謝謝！

香港大學研究生會18-19屆執委會

Dear members:

We are writing to show our great appreciation to the recent concerns and criticism from our members, and we welcome further suggestions from our members in the days to come.

First of all, Executive Committee Session 2018-2019 here expresses its sincerest apology for the problems of the procedures and not being able to hold the Annual General Meeting 2019 as scheduled. After investigating the consensus of members on social media and hearing opinions from different aspects, we strongly hope to have an open platform to communicate with our members. We are planning to have a General Meeting in August soon, and the date and the venue are being confirmed. We do hope hear valuable opinions from you before the General Meeting and answer to your concerns as much as possible.

To respond to the questions about the motions raised by some Full Members, due to the imperfection of the current Constitution, there is no specification on the procedures of raising motions. We are very willing to hear concerns about the procedures of the Meeting and shall pay attention to this issue in the future amendment of the Constitution. And we sincerely apologise to any dissatisfaction caused.

Executive Session 2018-2019 has made a lot of breakthrough accomplishments comparing with the past years. We increased the input in student welfare, held various activities to enhance postgraduate students' campus life, and strengthened the cooperation with postgraduate student organisations of other universities. For details, please refer to the Annual Report and Annual Financial Report posted on our website on 14 July. Undergrad News has reported the suspected misconduct in the cooperation with CMHK. The fact is that the so-called "personal account" is actually a normal promotional means offered by CMHK. President, Deputy President, and Executive VP of Session 18-19 have all registered this "personal account" to help new students to apply for SIM card more conveniently. The information is open to

the public during the Orientation period, and no commission has been paid to any individual. We wish Undergrad News can prepare unbiased report by collecting words from all parties. We are willing to talk to the person who reported this incident and will cooperate with the investigation from related entities. We can explain more details in the General Meeting if there is still any concerns regarding this issue.

The previous announcement on 13 June has caused discussions and dissatisfaction from many members. We recognise, accept, and respect different opinions from our members. We respect students' rights to participate in social movement but merely wanted to alert students for safety concerns. The intensified responses let us understand that the Association should carefully consider different cognitions towards a political incident when making any announcement. We hope to respect the opinions of our members and decide whether to retreat this announcement through voting in the General Meeting. Meanwhile, this issue also reflects the imperfection of the current Constitution; therefore, we should improve the regulation on the procedure of making such announcements in the future.

Postgraduate Student Association wishes to strengthen the public supervision from our members and hopes to stimulate the enthusiasm of our members in participation. Let us together make a better PGSA!

If there is any inquiry, please email to [pgsa@hku.hk](mailto:pgsa@hku.hk). Thanks!
